

Catering Team Leader

About Sadler's Wells

Sadler's Wells is a world-leading creative organisation, dedicated to presenting, producing and touring dance made today in all its forms. Sadler's Wells commissions, presents and produces more dance than any other theatre in the world – from tango to hip hop, ballet to flamenco, Bollywood to cutting-edge contemporary dance. With an innovative, year-round programme of performances and learning activities, this is the place where artists come together to create dance, and where we welcome everyone to experience dance and be inspired.

Our aim is to reflect and respond to the world through dance: enabling artists of all backgrounds to create dance that moves us and opens our minds; sharing those experiences with the widest possible audiences to enrich their lives and deepen their understanding of what it means to be human.

Over half a million people come to our theatres in London each year, with many more enjoying our touring productions at partner venues across the UK and in cities around the world. Sadler's Wells Theatre has been located in Islington since the 17th century. Our modern day theatre comprises a main auditorium (1,500 seats); the Lilian Baylis Studio (180 seats); three rehearsal studios; bars, a café, facilities for private and corporate entertaining and offices for Sadler's Wells' staff.

Our second theatre building and West End home, the Peacock (1,000 seats), is subject to a unique agreement whereby Sadler's Wells and the London School of Economics jointly manage it, with the LSE presenting its lectures to students during the day and Sadler's Wells presenting theatre at night.

Future Plans

Plans are underway for the development of a fourth venue in east London's Queen Elizabeth Olympic Park. Sadler's Wells' new space will be located on the Stratford Waterfront site, opposite the London Aquatics Centre, alongside UAL's London College of Fashion and the V&A Museum. The site will form part of a new cultural and education district, which will also include a major new University College London (UCL) campus and have direct links to the creative communities already based in east London.

Sadler's Wells' new space will house a 550-seat mid-scale theatre, as well as facilities for a choreographic centre and a hip hop academy, all planned to open at the end of 2022.
